PROJECTS

PhotoSignatureResize | College Project **2020 - 2023**

- PhotoSignatureResize, born from my college project, has become a go-to tool for over 100,000 job seekers monthly. This user-friendly platform empowers you to easily resize and compress your photos and signatures specifically for online job applications.

Bihar Online Portal | Freelance Project **2020 - 2023**

- I built and maintain Bihar Online Portal, a website that receives around 2,00,000 visitors monthly. The portal allows users to apply for various government services in Bihar online, including certificates, registrations, admissions for educational institutions, land registration, and health care. It also provides information on government job openings.
